Section 1. Timing of Statement (with any required certifications)

The information disclosure statement submitted herewith is being filed within three months of the filing date of the application or date of entry into the national stage of an international application or before the mailing date of a first Office action on the merits, whichever event occurs last in accordance with 37 C.F.R. § 1.97(b).

Section 2. Preliminary Statements

Applicants submit herewith patents, publications or other information, of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose under 37 C.F.R. § 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. § 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

Any markings, underlining, notations or the like present in any reference are not to be construed as drawing the Examiner's attention toward or away from other parts or portions of the reference(s) filed herewith.

Section 3. Forms PTO/SB/08A and PTO/SB/08B

Forms PTO/SB/08A and PTO/SB/08B as filed herewith are together two pages in length. A legible copy of each reference cited is filed herewith in accordance with the requirements of 37 C.F.R. § 1.98(a).
